MAY 8, 2007 GENERAL MEETING. We had a good turnout for our 7 P.M. meeting. Charlie Johnson from the CSD (Community Service District) formation committee was our speaker. He explained some of the processes and steps they took to get as far as LAFCO. The CSD should help considerably in keeping dense development out of our rural areas. Although not able to have zoning powers, the voted-in board would have a heavy say with the board of supervisors. He emphasized the importance of voting and spreading the word as to the powers the board would have. A lot of information is available on the web-site: <http://csd.webexone.com>. Go in as a visitor.

PINON HILLS SUMMER FEST - Our Board meeting was mainly about our upcoming events. The Summer Fest will be held on August 4, 2007 and will include the adult triathlon, many games and activities for children, booths and food. There will be a rock band with music suitable for our great kids, a blue grass band, and another group. **VOLUNTEERS** are needed. There is a form enclosed that you could return if you want to help. Also, you could call Randy Sampias (964-7416 or Nancy Cosgrove (617-1082).

Our Annual **STAR GAZING PARTY** will follow on the evening of August 4. At dusk, the telescopes will be in place and the planetarium will be in the multi-purpose. Please help us make these fundraisers a success, so we can help the community with scholarships,
